Windows - pre-requisites

Open-AudIT should be installed on 64bit Windows ***Server*** systems only. Windows 10 is not supported.

We ship all required dependencies using the XAMPP package other than NMAP itself and the Microsoft Visual C runtime.

Please install NMAP from https://nmap.org/download.html

More information about Open-AudIT and Nmap is available here - Open-AudIT and Nmap.

Please install the latest Visual C runtime from https://support.microsoft.com/en-us/topic/the-latest-supported-visual-c-downloads-2647da03-1eea-4433-9aff-95f26a218cc0
