Click the green Activate button to start the license activation process.

The next screen asks you to select your country. We do this because of the European GDPR legislation.

Once Opmantek respond with your license you can paste the license string into the text box and the license will be applied and you'll be on your way.

If you happen to close the page, you can repeat the steps to get back to the form or alternatively click the **Restore My Licenses** button on the original page. If you do that, you'll be taken to your licensing page as below.
